

ShowCoin

TERMS AND CONDITIONS OF TOKEN SALE AND PRIVACY POLICY.

Terms and Conditions

Showcoin (SHC) is a token of Kto.TV platform.

Kto.TV is a project of the decentralized international platform for show-business representatives.

The Terms and Conditions (the “T&C”) apply to the buyer of the Showcoin (“SHC”) and future user of the KTO.TV platform. You should precisely read the T&C, as well as the white paper of the KTO.TV project before participating in the token sale.

Applicability

The following T&C constitute the agreement (the “Agreement”) between KTO.TV (from now on “KTO.TV” or the “Company”), and you (the “User”) concerning the purchase of the Showcoin and the future services offered through the KTO.TV Platform. By using our services, you agree to be bound by the T&C in its latest version. You are aware that Company may change this T&C at any time. Your continued use of the KTO.TV Platform means that you accept any new or modified terms.

Services

KTO.TV is an international platform designed to provide a wide range of opportunities for collaboration and interaction of representatives of show business, festive and entertainment, fashion, and media industry.

Platform users will be able to find like-minded individuals, employers and performers, receive assistance in the implementation of their projects and conclude transactions with a unique platform functionality. The platform will collect an extensive database of representatives of the show business, as well as information about casting and jobs.

The Showcoin (SHC)

We aspire to reward all owners of Showcoin, distributing part of profit.

In the asset contract, circulating at least 30% of all platforms through a systematic buyout. Such a repayment programme sets the best methods for the new Economy and at the same time the best interests of Showcoin owners.

SHC has no legal qualification as collateral. SHC is final and non-refundable.

Therefore purchase of SHC should not be made for speculative use.

SHC can be purchased at the time of sale of tokens directly from the company or after token sale in the company or exchanger.

Any future user who buys SHC directly acknowledges and represents that he/she has carefully analyzed T & C and fully understand the risks, costs and benefits associated with the purchase of this token, as stated in T & C.

Knowledge required

The future user, who undertakes to purchase in connection with the token sale, shall provide that he/she understands and has considerable experience cryptocurrencies, Blockchain systems and services and that he/she fully understands the risks associated with a token sale and the rules related to the use of cryptocurrencies (including storage).

The company is not responsible for any loss, or situations that make it impossible to access SHC, which may result in any actions or omissions of the future user or any person which is committed to acquiring SHC.

Risks

The acquisition involves various risks, in particular, that the company may not be able to successfully launch activities and develop its platform. Therefore, and before the purchase SHC, any future user must precisely consider the risks, costs, and benefits of acquiring as part of the sale of tokens, and, if necessary, receive an independent consultation in this regard. Any interested person who is in a position not to accept or understand the risks involved with the sale of the token (including the risks associated with the non-working platform KTO.TV and operations) or any other risks as stated in T & C, should not acquire SHC at this stage or later.

Self Acquisition

Company is allowed to purchase SHC from the market at the market price as a cost payment method. The Board of Directors must approve the acquisition, if the conflict of interest situation is not present. Because of purchase of SHC, Company is not allowed to perform such operations as the manipulation of the SHC market.

Important Disclaimer

The T&C shall not and cannot be considered as an invitation to enter into an investment. They do not constitute or relate in any way nor should they be considered as an offering of securities in any jurisdiction. The T&C do not include or contain any information or indication that might be considered as a recommendation or that might be used to base any investment decision. This document does not constitute an offer or an invitation to sell shares, securities or rights belonging to KTO.TV or any related or associated company. Showcoin will be used as a private mean of payment once the services will be accessible and is not intended to be used as an investment.

Any information in the T&C is given for general information purpose only, and KTO.TV does not provide with any warranty as to the accuracy and completeness of this information.

The offer of Showcoin a trading platform is made to allow the purchase of services on the Showcoin.pro platform and not for speculative purposes.

KTO.TV will be an operative entity managing the KTO.TV platform. KTO.TV is not a financial intermediary and is not required to obtain any authorization for Anti-Money Laundering purpose.

Regulatory authorities are carefully scrutinizing businesses and operations associated to cryptocurrencies in the world. In that respect, regulatory measures, investigations or actions may affect KTO.TV's business and even limit or prevent it from developing its operations in the future.

Any person undertaking to acquire Showcoin must be aware that the KTO.TV business model and the T&C may change or need to be modified because of new regulatory and compliance requirements from any applicable laws in many jurisdictions. In such case, any person undertaking to acquire Showcoin acknowledge and understand that neither KTO.TV nor any of its affiliates shall be held liable for any direct or indirect loss or damages caused by such changes.

KTO.TV will do its best to launch its operations and develop the KTO.TV platform. Any person undertaking to acquire Showcoin acknowledges and understands that KTO.TV does not provide any guarantee that it will manage to achieve it.

Acquiring Showcoin shall not grant any right or influence over KTO.TV organization and governance to the Users. These coins will be issued by a technical process referred to as a Blockchain. This is an open source IT protocol over which the Company has no rights or liability regarding its development and operation. A KTO.TV platform will control the coin distribution mechanism; this involves a computer program that can be executed on the KTO.TV website that is compatible with the Smart Contract programming language. User acknowledge and understand therefore that KTO.TV (including its bodies and employees) assumes no liability or responsibility for any loss or damage that would result from or relate to the incapacity to use the Showcoin.

Excepted in case of intentional misconduct or gross negligence.

Showcoin is based on the Ethereum protocol. Therefore, any malfunction, unplanned function or unexpected operation of the Ethereum protocol may cause the Showcoin network to malfunction or operate in a way that is not expected.

Representation and Warranties

By participating in the token sale, the User agrees to the T&C and in particular, they represent and warrant that they:

1. are authorized and have full power to purchase SHC according to the laws that apply in their jurisdiction of domicile;
2. live in a jurisdiction which allows Company to sell the Showcoins through a token sale without requiring any local authorization;
3. are familiar with all related regulations in the specific jurisdiction in which they are based and that purchasing cryptographic tokens in that jurisdiction is not prohibited, restricted or subject to additional conditions of any kind;
4. are not a U.S. citizen, resident or entity (a "U.S. Person") nor are they purchasing Showcoins or signing on behalf of a U.S. Person. Are not acting for the purpose of speculative investment; will not use the Token Sale for any illegal activity, including but not limited to money laundering and the financing of terrorism;
5. are solely responsible for determining whether the acquisition of SHC is appropriate for them; are acquiring SHC for future use of the Kto.tv platform; understand the risks associated with the token sale (incl. the risks related to the non-development of Kto.tv platform and operations); and
6. understand the use of cryptocurrencies and the associated risks.

Intellectual Property Rights

To the extent that copyright or other intellectual property rights exist in the Kto.tv platform, such as software, know-how, analysis or programs, those copyrights and other intellectual and industrial rights belong to Company.

Limitation of Liability

Company, as well as its officers, directors, agents, joint ventures, employees and suppliers, assumes no liability or responsibility for any loss arising out of or related to the use of the Kto.tv platform or any technical, interruption or malfunction of the platform.

The limitation of liability set out above shall not be applicable in the event that Company, or a Company-employee, has caused the damage by intentional misconduct or by gross negligence.

Severability

If any of the provisions of the T&C or the Agreement are deemed to be invalid, void or unenforceable, the remaining provisions shall continue in full force and effect.

Privacy policy.

The company is not responsible for possible misuse of information from the site or other persons and/or organizations, which occurred without notifying the company with or without violation of information security site.

By using this website, the customer agrees and accepts that the executor reserves the right to use his personal information anonymously and in the aggregate for statistical purposes.

The processing of personal data of the client is performed without the Executive term limits, by any legal means, including personal data in information systems using automated methods or without the use of such.

Personal data may be transferred to authorized public authorities public authorities only on the grounds and in the manner provided by law.
